

ServSafe Alcohol Program Roll-Out Guidelines:

Illinois

The ServSafe Alcohol program is approved for online and classroom in Illinois.

Responsible alcohol service training in Illinois is **mandatory** for all those with positions that require checking ID's. The state of Illinois requires training programs, organizations that offer training, and instructors to apply for the state designation, a BASSET (Beverage Alcohol Sellers & Servers Education & Training) license. Employees must have certification within 120 days of being hired. Upon successful completion of the course and exam individuals will receive both the ServSafe certificate and the BASSET card.

Mitigating benefits: Mitigating benefits for employee training may be given. Please contact the Liquor Control Commission for more information.

- Training classes must be at least 4 hours in length.
- Upon successful completion of the online exam, the ServSafe Alcohol certificate is available immediately on the website.
- A report/roster is sent to the ILCC weekly providing a list of those successfully completing the exam with an IL address. The BASSET card can be printed two weeks after successful completion of exam. [ILCC website](#)
- The report includes:
 - Date and location of the class;
 - Students' name, address, telephone number and date of birth;
 - Name and company of the trainer who conducted the class;
 - The date each participant completed the training course.
- Trainers are recommended to maintain a record of all participants who successfully completed the BASSET training for a minimum of 1 year.
- Instructor requirements and [Help Document](#)
- Instructor training [Illinois Supplement](#)
