

ServSafe Alcohol Program Roll-Out Guidelines:

TENNESSEE

In Tennessee, all alcohol service employees must attend a Tennessee Alcoholic Beverage Commission (TABC) certified alcohol training course and obtain a server permit within 61 days from the date they were hired. As of 1/1/2025 server permits are now valid for 2 years. The cost of the Employee on Premise Permit is \$20.00 and payment can be made on the R.L.P.S system [Apply for a Server Permit](#)

The ServSafe Alcohol online and classroom curriculum is approved for use in Tennessee.

Prior to teaching any ServSafe Alcohol courses, instructors must complete and submit an instructor questionnaire, the declaration of citizenship form and \$150 fee to the TABC and receive approval from the TABC. www.tn.gov/abc Upon approval, the TABC will issue a certificate to the instructor that is valid for 1 year.

Instructors must incorporate the Tennessee supplement into their training classes. Approved ServSafe Alcohol Instructors can login and download the Tennessee supplement at [ServSafe Supplements](#). A TABC approved alcohol education course must also have a minimum of 3.5 hours of instruction time. All trainees must also be given the written materials for the class.

Within 21 days of completing an alcohol training course, the certified instructor must provide the TABC with a list of the students who have successfully completed the course along with the \$15.00 fee for each name submitted.
